

The Friends of the Master's House Supporters Group

The Friends of the Master's House have decided to start a Supporters Group, members of which will be kept informed of all the events and activities organised throughout the year.

Information will only be sent out by email and will be mainly about events and activities that are organised from the Master's House and may occasionally include news about the building and its heritage. By this means the Friends may also ask for help with their activities.

If you would like to join the Supporters Group and be included in our database, please complete your details below. There is no subscription to join this group. Members can unsubscribe at any time by sending an email request to: supporters@themastershouseledbury.org
